# Ian B. Corocoto

**BSEd Major in Science · Taguig City University**

## PROFILE

Motivated pre-service science teacher and Senior High School graduate with a record of honor roll standing and consistently top-performing academic results. Passionate about service, with experience volunteering in community organizations. Seeking to apply academic strength, dedication and a service-oriented mindset in a dynamic organization while continuing to grow personally and professionally.

## OBJECTIVES

- To secure a challenging position within a dynamic organization where I can use my academic performance, dedication and service-oriented mindset to contribute to its success while developing my skills.
- To keep improving, refining my problem-solving abilities and expanding my knowledge of emerging technologies and trends.

## EDUCATION

**Bachelor of Secondary Education, Major in Science (Undergraduate)**

Taguig City University, General Santos Ave., Lower Bicutan, Taguig · 2023–2027 (expected)

**Senior High School – STEM Strand (Graduate)**

Monlimar Development Academy, Lower Bicutan · 2021–2023
